The Super Mario Bros. overworld theme is playing, A plumber with red/blue overalls or Mario has he is futurally know is running as fast as he can down the mountain. As soon as Mario is on the ground, he is jumping on blocks and Goombas when his brother came behind him which they both waved at each other.

Mario: Plumber's Log 101: "Me and Luigi are trying to find a town that serves pasta since we just came out of the drain pipe in Brooklyn." (Mario says this without any lip sync).

Mario stomps on more Goombas and hitting more blocks, however he is going too fast compared to his lanky green/blue brother.

Luigi: "Hey Mario, you're going too fast"

Mario & Luigi both arrive besides a tree which the Mario theme stops playing.

Mario: "Finally we have found a town."
Luigi: "We can just imagine the pasta, Mario"

A mouse with sunglasses comes out of the bush next to the tree wearing a headset and the music changes to the Super Mario Bros 2 boss theme.

Mouse: "I'm ready, are you ready Triclyde?"

A three headed snake appears behind a tree with a headset and a control box with one button.

Triclyde: "Ready. Err. Tell me what I am ready for Mouser?"
Mouser: "Bring zee trap!"
Triclyde: "I knew that, cheese nut."

Triclyde presses the button with one of his heads.

Mario & Luigi stood there when some hands came up from the tree and grabbed them by surprise. Mouser is very happy and smiling and came towards the Mario Bros.

Mouser: "We got you, plum-ber."

Triclyde goes to Luigi.
Tryclyde: "Yeah, the chase is over."

Mouser and Triclyde were dancing with each other.
Mouser & Triclyde (singing): "We did it! We did it! We did it! We did it!"

Mario asks Mouser.
Mario: "Hold it paesenos, you don't want to this."
Mouser: "Oh don't we?"

Luigi is starting cry.
Luigi: "I think this is the end, Mario"
Mario: "Wait Luigi, they might take us to King Koopa"

Triclyde smells Mario's breath and puts his hand on his nose.
Triclyde: "Too right, garlic breath."

Mario: "Don't you remember when we first met?"
Triclyde: "Nope. We never met you before, just got told by Koopa."
Mouser: "But we like a good story."

Mario: "Well it all started when me and Luigi just went through a pipe from Brooklyn to the Mushroom Kingdom."

This footage similar to the cartoon opening to the Super Mario Bros. Super Show which goes like this:
Mario and Luigi are in a bath while Luigi is using a plunger.
The clog is out but the pressure of the water is pushing Luigi down the drain.
Mario holds a pipe but that got broke and sucked down the drain.
Some pipes are shown.
Mario & Luigi dropped down and rolled which defeated some Koopa Troopas.

Mario: "I then accidentally bumped into King Koopa which he ducked out of the way. Ever since we went to this abounded town in Some-Sort of Land."

Mario & Luigi are in the deserted town.
Luigi: "Where is everybody?"

A mushroom came out with the window open.
Mushroom: "We're hiding here from someone, I can't remember the name tho."
Suddenly the window was shut.

While Mario was putting his finger on his chin trying to figure, Luigi looked up.

Luigi: "Hiding, who from?"

Two strange turtles with suits came towards this red house with their Hammers, knocking the entire wall reveiling a mushroom.

Strange Turtles: "Which way is the Koopa Pack convention?"

The mushroom screamed and hid from behind the chair. The turtles crashed through another wall.

Luigi: "What is the Koopa Pack convention?"
Mario: "It sounds pretty bad Luigi, let's go there anyway."

A blue tent is revealed, a gruff voice was heard.
Unknown Gruff Voice: "I, the repulsive King Koopa called you here you dozzos because I have selected the finest army to take over the Mushroom Kingdom."

The Koopa Troopas, Hammer Bros, Shy Guys, Snifits, and the two unknown turtles alias the Sledge Brothers were cheering for this unknown person.

The person is revealed to be a slimey green reptile with a crown on his head which he is King Koopa.

(Mario & Luigi sneak inside the Koopa pack tent.)
King Koopa: "Ever since I have recruited you terrible henchmen, I decided to take over all the Lands around the Mushroom World, there are two meddling and pesky plumbers that made me so angry that I hired everyone of you."

The reptile pushes a button revealing a picture of Mario & Luigi which the audience are booing

Koopa: **You took the words**
right out of my mouth. I hate that Hedgehog! He ruins my schemes..

He escapes my traps!

Everyone boos Koopa and someone threw a turnip at him but he ducked and landed on the Mario Bros. picture.

Koopa: He helps nice people!

Everyone boos at the plumber brothers.

Koopa: No more! I am hereby declaring Mario & Luigi as "Mushroom Kingdoms Most Wanted Fugitives!" To insure his immediate capture, I'm offering you the biggest reward in Bounty Hunter history... One billion gold coins! Alive or otherwise!

Mario: Question from the crowd?

Koopa: What is it?

Mario goofly smiles at King Koopa.

Mario: **I'm worth...way more than that!**

King Koopa throws a pebble at Mario but misses.

King Koopa: **There he is! Get him! I want them plumb dumbs!**

Luigi: **Mario! You're not jumping!**
